Dear CCI Membership,

Entering my second term as Park County, County Commissioner, the protocol and structure of the steering committees is well-known to me. I have been the steering committee legislation designated voter for two years for Park County and have not missed one vote.

The legislative session runs at a fast and furious pace with General Government offering a variety of topics to be presented to the CCI membership. I will read the bills and be prepared to assist the Chair in understanding the content and running the meetings. I will be a dedicated and willing co-pilot.

I am respectfully asking for your vote.

Thank you,

Amy Mithcell
