

January 2nd 2025

Dear CCI Membership,

I am writing to express my intent to serve as Vice Chair on the steering committee. As an Alamosa County Commissioner, I have had the privilege of serving on the Justice and Public Safety Committee with the National Association of Counties (NACo), where I have gained invaluable insights into the complexities of our justice system and effective public safety strategies.

I am currently serving on the Jail Standards Advisory Committee, where we work to ensure that our correctional facilities meet the highest standards of safety and rehabilitation. My involvement with the 12th Judicial Community Corrections Board and the Screening Committee has further deepened my understanding of the intersection between community corrections and public safety, allowing me to advocate for programs that help individuals reintegrate into society successfully.

I have been actively engaged with our local sheriff's department, where I played a key role in raising funds for rifle-ready body armor. This initiative was crucial in ensuring the safety of our law enforcement officers, and I am proud to have contributed to this important cause.

As a Chaplain for Alamosa County and city first responders, I have been dedicated to providing support and guidance to our emergency personnel. I understand the challenges they face daily and strive to be a resource for their emotional and spiritual well-being.

I am committed to enhancing the safety and well-being of our community through collaborative efforts and proactive initiatives. It is my intention to continue working tirelessly to support our justice and public safety systems, ensuring that they operate effectively and compassionately.

Thank you for considering my intent to serve. I look forward to the opportunity to continue making a positive impact in Alamosa County and to work alongside dedicated individuals who share a passion for public service.

Sincerely,

Arlan D Van Ry
Alamosa County Commissioner, District 2
