One of these openings is for a one-year term, while the other three are full two-year terms. The Chair and Vice Chair positions for Public Lands are also up for election. Travelling committee members are expected to attend three National Association of Counties (NACo) events annually. By submitting your letter of intent, you are attesting that you are available to attend the required NACo meetings. For questions about Public Lands leadership openings, please contact Kieran Boes (kboes@ccionline.org, 303-257-6531).

Nominations will be accepted from the floor, but as a courtesy to your peers, we urge you to **submit a letter of intent by Friday, January 24** to Kieran Boes (kboes@ccionline.org). The form can be found on the [CCI website](#). Letters of intent will be posted on the CCI website as they are received and will also be linked in the meeting agenda.

The election will be the first item of business during each committee meeting on Thursday, January 30 and Friday, January 31. The individual elected will conduct the remainder of the meeting.
