Funding formulas and how they impact human services in your counties

You're invited to a special presentation on three major human services' funding allocations and how they impact counties and families

Greetings, commissioners!

The Colorado Department of Early Childhood (CDEC), the Department of Human Services (CDHS), the Colorado Human Services Directors Association (CHSDA) and Colorado Counties, Inc., (CCI) invite you to attend an Allocation 101 presentation.

- **Date:** Feb. 27
- **Time:** 2:30 to 4 p.m.
- **Join** with this [Zoom link](#)

This presentation will provide an overview of the Temporary Assistance to Needy Families (TANF), Child Welfare and the Colorado Child Care Assistance Program (CCCAP) funding formulas. We will also discuss the resulting fiscal allocations made to county departments of human/social services, as well as how Coloradans use these resources.

The allocation committees for all three programs, which many of you belong to as voting members, will make meaningful decisions about their allocation formulas in the coming months.

We encourage you to attend this presentation so you can make informed recommendations about these programs. You will also gain a better understanding of the funding pressures they face, as well as the intricacies of providing these services to people throughout our state. Our hosts are committed to providing access, equal opportunity, and reasonable accommodation for this presentation. To request an accommodation please contact chelsey.hall@state.co.us.
